Cure Glaucoma Foundation
Pioneering Research. Providing Care.

Inspired as a global effort to prevent vision loss related to glaucoma, the Cure Glaucoma Foundation is a nonprofit organization dedicated to funding transformational research and patient outreach programs.

Your donation will provide:

Accessible Patient Care – Providing access to glaucoma care ensuring timely treatment is not delayed.

Transformational Research – Funding innovative research to transform glaucoma care.

International Outreach – Providing resources and disseminating knowledge globally to ensure access to treatment.

4.5 million people worldwide are blind due to glaucoma, a number expected to increase to 11.2 million by the year 2020.

With your help we can intensify efforts to prevent blindness from glaucoma.
